Profile

Gil is Chief Executive Officer at COPILLOT, LLC (**COPILLOT**) and specializes in Business Risk Services and Internal Auditing. He holds the designations of **CISA** - Certified Information Systems Auditor, **CISM** - Certified Information Security Manager, and **CRISC** - Certified in Risk and Information Systems Controls. He also has an Internal Audit certificate.

Gil has over 26 years of Consulting, Banking, Credit Union, Information Technology Auditing, and Enterprise Risk Management experience. He focuses on complex and/or specialized issues, develops and maintains productive relationships with clients, and develops an audit strategy that complies with professional standards and appropriately addresses risk.

Gil has worked with clients on risk assessments of general Information Technology systems, Information Systems security control environment and Quality Assurance reviews of business processes. He works to understand their organization, procedures and internal policies; identifies client issues and conflicts; and communicates possible solutions to the client.

Gil has vast experience in financial services consultation and has worked with local and international firms, assisted clients in developing internal audit programs and developing risk control analysis for improvement process implementation.
